

# A Million Books by David M. Schwartz

(Well, not quite a million...)

Children's author **David M. Schwartz** will speak at our school on \_\_\_\_\_. David's books combine math, science and language arts in ways that are entertaining and educational. We are happy to give you an opportunity to buy David's books, which will be signed by the author and delivered to the school. Please use the order form on the back.

## David's Math Classics

**HOW MUCH IS A MILLION?**  
Ages 5-9

Illustrated by Steven Kellogg

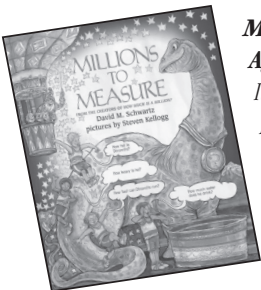

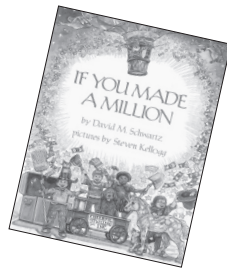

Join *Marvelosissimo the Mathematical Magician* in this award-winning classic that brings the fascinating world of **BIG** numbers to life. Known and loved around the world by children and adults alike.

### IF YOU MADE A MILLION

Ages 6-10

Illustrated by Steven Kellogg

*Marvelosissimo* returns with a cheerful band of youngsters who explore the mathematics of money from one cent to one million dollars for fun and profit.

**MILLIONS TO MEASURE**  
Ages 5-12

Illustrated by Steven Kellogg

*Marvelosissimo* and his fun-loving pack of pals are back, measuring a million things in almost a million ways. The latest book in this series has received rave reviews – and a million thanks from teachers.

### ON BEYOND A MILLION: AN AMAZING MATH JOURNEY

Ages 5-9

Instead of counting 1, 2, 3, 4, etc., this unique counting book explains our number system in a different way: 1, 10, 100, 1,000, and so on... and on... and on beyond a million!
